2A. CORRECTIONS AND/OR CHANGES TO THE AGENDA

2B. ANNOUNCEMENT(S) OF RECUSAL

3A. SUPERVISOR COMMENTS ON CONSENT AGENDA ITEMS

3B. ADOPT CONSENT AGENDA

- 3.01 Approval of Board of Supervisors Regular Meeting Minutes - Submitted for approval are the May 28, 2024 Board of Supervisors Regular Meeting Minutes - action requested - APPROVE THE MAY 28, 2024 BOARD OF SUPERVISORS REGULAR MEETING MINUTES. (County Administration)
- 3.02 Letter of Opposition for SB 1057 (Menjivar) Juvenile Justice Coordinating Councils - SB 1057 proposes to make considerable changes to local Juvenile Justice Coordinating Councils (JJCC), as well as the process for the JJCC's deployment of Juvenile Justice Crime Prevention Act (JJCPA) funds. These funds were realigned to counties in 2011 and serve as the bedrock of virtually all counties' juvenile justice systems. Notably, with the passage of SB 823 in 2020, counties now bear full responsibility for the entire juvenile justice system at the local level. SB 1057, at its core, reduces probation's authority over its duties and responsibilities with the intent to divert funding away from local government. SB 1057 would create unnecessary financial instability and would compromise the ability of Probation to effectively service at-risk youth. Staff recommends approval of a letter of opposition for SB 1057 - action requested - APPROVE LETTER OF OPPOSITION. (County Administration)

- 3.03 Ratify Letter of Opposition for AB 2557 (Ortega) - Local Agencies: Contracts for Special Services and Temporary Help: Performance Reports - This measure would put in place a burdensome process for local agencies to contract for services, including services for temporary help, by requiring onerous contractor reporting obligations and audits, and by making contractors' employee data public. The bill is likely to disincentivize contractors from doing business with counties as well as increasing costs and causing delays. Like other local agencies, Butte County utilizes contractors to provide a variety of local programs and services for residents. This ranges broadly from numerous partnerships with local nonprofit agencies to provide various community-based health and human services, including homelessness services, as well as temporary employee contracts to provide psychiatric treatment. Additionally, Butte County, in response to natural disasters including the deadly Camp Fire and North Complex Fire – two of the most destructive fires in state history – knows first hand the importance of being able to utilize contracts in the response to a disaster. Given the time sensitive nature of this legislation which is scheduled to be heard by the Senate Local Government Committee on June 11, there was no time to wait until the June 11, 2024 Board of Supervisors meeting. Staff recommends the Board ratify the letter - action requested - RATIFY LETTER OF OPPOSITION. (County Administration)
- 3.04 Project Closeout for Olive Ranch Senior Apartments Funded by Community Development Block Grant Disaster Recovery Multifamily Housing Program Funding (CDBG-DRMHP) - In 2021, Butte County received an allocation of \$61,361,926 in CDBG-DRMHP funding from the State Department of Housing and Community Development (HCD) for construction-related costs for affordable housing projects to support Camp Fire recovery. On January 26, 2021, the Board of Supervisors adopted a resolution to accept the allocation, and on August 24, 2021 the Master Standard Agreement (MSA) with HCD was executed. HCD then increased Butte County's CDBG-DRMHP allocation to \$71,185,473 due to over-subscription of the county's program. To accept the increase, the Board adopted a new resolution on July 26, 2022. The MSA was then amended on December 18, 2023 to increase the allocation amount, and amended again on January 11, 2024 to modify exhibits, budget details, and payment provisions. Through a competitive Request for Proposals Butte County awarded the Olive Ranch Senior Apartments \$1,795,000 in CDBG-DRMHP funds to K2 Development. A Notice to Proceed (NTP) was issued for the project by HCD on March 11, 2022. The City of Oroville issued a Certificate of Occupancy for Olive Ranch Senior Apartments on May 24, 2024. All project milestones required by the MSA and NTP and corresponding amendments have been met or exceeded. Project Closeout requires a resolution by the Board of Supervisors documenting project completion in order to evidence compliance of Butte County's obligations as required by the MSA and NTP and all amendments thereto. If adopted, submission of this resolution to HCD along with the final financial report for reimbursement will allow the County to secure the final 10% of the project award to reimburse the developer and associated County grant administration costs. The Department recommends the Board adopt the resolution and authorize the Chair to sign - action requested - ADOPT RESOLUTION AND AUTHORIZE THE CHAIR TO SIGN. (County Administration)

The amendment increases the maximum payable amount by \$35,653, not to exceed \$210,373. All other terms remain the same. 4.11 Delinquent Unsecured Tax Discharge of Accountability - The Treasurer-Tax Collector requests a discharge of accountability from collection efforts on delinquent and unsecured accounts on the property tax roll that are ten years or older and considered uncollectible. The discharge of accountability would allow accounts to be deactivated and remove the total due from the delinquent unsecured tax roll. This action would not relieve the taxpayer from the responsibility of paying the bill, but Treasurer-Tax Collector's Office would no longer actively pursue the accounts. The delinquent unsecured tax roll currently contains 3,329 tax accounts from 2012 and prior that are uncollectible. (County Administration)
- 5.04 11:05 am - Public Hearing - Project Closeout for the Park Avenue Multifamily Housing Project Funded by Community Development Block Grant Disaster Recovery Multifamily Housing Program Funding (CDBG-DRMHP) - The California Department of Housing and Community Development (HCD) has made \$66,787,799 in allocations available in 2018 Community Development Block Grant Disaster Recovery (CDBG-DR) funding to support the Multifamily Housing Program. This funding is in response to the State of California's unmet recovery needs related to the Federal Emergency Management Agency (FEMA) Major Disaster Declarations DR-4344 in October 2017 and DR-4353 in December 2017. The Butte County 2018 CDBG-DR

Multifamily Housing Program allocation is \$679,013. On September 29, 2020, the Board of Supervisors adopted a resolution authorizing the allocation of funding and the execution of a Master Standard Agreement with HCD to facilitate the development of multifamily housing (rehabilitation, reconstruction, or new construction), pursuant to the Disaster Recovery Multifamily Housing Program (DR-MHP) Policies and Procedures. On August 26, 2021, HCD and the County of Butte executed a notice to proceed for the Park Avenue project in the City of Chico utilizing the full allocation. The project was also partially funded by the City of Chico. On May 22, 2024, the project received its certificate of occupancy from the City of Chico, and County Administration staff are preparing for close-out. Project close-out requires a resolution by the Board of Supervisors documenting project completion in order to evidence compliance of Butte County's obligations as required by the MSA and NTP and all amendments thereto. If adopted, submission of this resolution to HCD along with the final financial report for reimbursement will allow the County to secure the final 10% of the project award to reimburse the developer and associated County grant administration costs. The Department recommends the Board adopt the resolution and authorize the Chair to sign - action requested - ADOPT RESOLUTION AND AUTHORIZE THE CHAIR TO SIGN. (County Administration)

- 5.05 11:10 am - Public Hearing - Board Directed Amendments to Chapter 34A Medical Marijuana Cultivation Regulation Ordinance and Chapter 34C Nonmedical Marijuana Cultivation Ordinance - On June 13, 2023, the Butte County Board of Supervisors gave direction to staff to amend the current Cannabis Ordinances under Chapters 34A and 34C. Development Services recommends amending Chapters 34A and 34C of the Butte County Code, which regulate medical and non-medical marijuana to establish new enforcement procedures. Specifically: The proposed amendments to Chapter 34A Medical Marijuana Cultivation Regulation Ordinance and Chapter 34C Nonmedical Marijuana Cultivation Ordinance will replace the term "marijuana" with "cannabis", clarify that complaints are not required to enforce the cannabis regulations as directed by the Board, and transfers the lien hearing process from the Board of Supervisors to the Administrative Hearing Officer Program - action requested -1) WAIVE THE FIRST READING OF THE ORDINANCE AMENDING CHAPTER 34A OF THE BUTTE COUNTY CODE; AND 2) WAIVE THE FIRST READING OF THE ORDINANCE AMENDING CHAPTER 34C OF THE BUTTE COUNTY CODE. Information and Procedures Concerning the Agenda and Board of Supervisors Meetings

Meeting Information:

Meetings are generally held the second and fourth Tuesday of each month. Meetings start at 9:00 a.m. and are held in the Board of Supervisors Chambers, County Administration Building, 25 County Center Drive, Oroville. At the end of each year the Board adopts a meeting schedule for the upcoming year. Meeting dates can be changed as a result of holidays or other events so please check the meeting calendar to be certain. Copies of the adopted meeting calendar for the year are available in the County Administrative Office or on the Clerk of the Board website page.

Agenda Information:

The agenda for every meeting of the Board is posted in front of the County Administration Building at least 72 hours before each meeting, and is available by mail subscription, e-mail subscription, or at the Clerk of the Board website. A copy of the agenda and supporting materials provided to the Board of Supervisors members to explain each agenda item (excluding documents that are not a public record within the meaning of the Public Records Act) are available for your review at the County Administrative Office, the Chico, Oroville, and Paradise libraries (please do not remove items from these files), and at the Clerk of the Board website. Copies of supporting materials can be made for you at a charge to cover costs. The list of communications included with the agenda packages is not comprehensive. Additional communications to the Board of Supervisors may have been received but not included in the agenda supporting material. Copies of all communications received by the Board of Supervisors (excluding documents that are not a public record within the meaning of the Public Records Act) are available at the County Administrative Office upon request.

Agenda Format and Meeting Order:

The agenda is usually organized into the following areas and meetings generally proceed in the following order:

1. **Consent Agenda:** These items are considered routine and are handled by one motion and vote of the Board. If you wish to discuss any item on the Consent Agenda you can either fill out a speaker card (located in the back of the board room) and give it to the Clerk of the Board (sitting to the right of the Board) or, when the Chair asks if there is anything anyone would like to remove from the Consent Agenda, stand and approach the podium and request the item be removed. The removed items are discussed at the end of the Regular Agenda.
2. **Public Comment:** This is the area of the agenda where members of the audience may address the Board on any matter not listed on the agenda. The Board, by law, cannot take action on any matter not listed on the agenda, but may respond to statements or questions and provide staff direction. Public Comment is limited to 3 minutes, and may be adjusted at the discretion of the Chair.
3. **Regular Agenda:** This is where presentations to the Board and items that require full discussion are heard. Items removed from the Consent Agenda are discussed under this section.
4. **Public Hearing and Timed Items:** This is where items that are required by law to be heard as a public hearing are set. This is the section where appeals before the Board are usually discussed. Hearings may start after the time listed, but will never start before the time listed.
5. **Closed Session:** The Board is authorized, by law, to meet in a closed session in certain circumstances. This area of the agenda identifies those items that will be discussed during the Closed Session.

Public Participation:

It is the policy of the Board of Supervisors, and a requirement of the California Open Meetings Law, to allow members of the public the opportunity to comment on all matters before the Board. Public participation is limited to matters within the subject matter jurisdiction of the Board pursuant to Government Code Section 54954.3. The Board of Supervisors is also committed to making its proceedings accessible to all residents. Individuals with special needs should call the Clerk of the Board at 530.552.3300, Monday through Friday, 8:00 a.m. to 5:00 p.m. to request disability-related modifications/accommodations, or to request materials in alternate formats. All requests for special accommodations and/or alternative format documents must be made 48 hours prior to the meeting.

Disclosure of Campaign Contributions

Pursuant to Government Code section 84308, members of the Board of Supervisors are disqualified and not able to participate in any agenda item involving contracts (other than competitively bid, labor, or personal employment contracts), franchises, discretionary land use permits and other entitlements if the Board member received more than \$250 in campaign contributions from the applicant or contractor, an agent of the applicant or contractor, or any financially interested participant who actively supports or opposes the County's decision on the agenda item since January 1, 2023. Members of the Board of Supervisors who have received, and applicants, contractors or their agents who have made, campaign contributions totaling more than \$250 to a Board member since January 1, 2023, are required to disclose that fact for the official record of the subject proceeding. Disclosures must include the amount of the campaign contribution and identify the recipient Board member and may be made either in writing to the Clerk of the Board of Supervisors prior to the subject hearing or by verbal disclosure at the time of the hearing.
